EXPLANATORY STATEMENT UNDER SECTION 393 OF THE COMPANIES ACT, 1956

1. Pursuant to the order dated 11th January, 2011 passed by the Hon'ble High Court of Delhi at New Delhi on the Company Application referred to above, separate meetings of the Equity Shareholders, Secured Creditors and Unsecured Creditors of Orient Abrasives Limited, the Applicant/Transferor Company, are being convened for the purpose of considering and if though fit, approving with or without modification(s), the Scheme of Arrangement (Demerger) between Orient Abrasives Limited, the Applicant / Transferor Company, and Orient Refractories Limited, the Applicant / Transferee Company.  - (a) The Applicant / Transferor Company has three distinct businesses, i.e., abrasive grains, refractories and power. Each of the businesses of the Applicant / Transferor Company has significant potential for growth and profitability. However, since the nature of risks, considerations, factors and commercial parameters applicable to the business of refractories being different and divergent in nature in comparison to that of abrasive grains and power and with an endeavour to enhance shareholder value and de-risk the businesses of the Applicant / Transferor Company, it is proposed to re-organize and segregate, by way of a Demerger, the Refractory Undertaking situated at Bhiwadi from the remaining businesses and vest it in a separate company, i.e., the Applicant / Transferee Company ('Proposed Demerger').
 - (b) The Proposed Demerger will result in better, efficient and economical management, control and running of the businesses and further development and growth of the businesses of both the Applicant Companies.
 - (c) The Proposed Demerger would allow a focused strategy in operations of the Refractory Undertaking alongwith providing scope for independent collaboration and expansion without committing the existing organization in its entirety and creating enhanced value for shareholders.
- (d) The Proposed Demerger, and vesting of the Refractory Undertaking from the Applicant / Transferor Company and in the Applicant / Transferee Company, with effect from the Appointed Date, i.e. 1st April, 2011, is in the interest of the shareholders, creditors, employees and all concerned. The Proposed Demerger will unlock significant value for the shareholders of the Applicant / Transferor Company and the Applicant / Transferee Company and would also provide greater business focus for both the Applicant Companies.

AND THEIR RESPECTIVE SHAREHOLDERS
AND CREDITORS
UNDER SECTIONS 391 TO 394 OF THE
COMPANIES ACT, 1956**

PART-I GENERAL

WHEREAS

- A. Orient Abrasives Limited (“**Transferor Company**”) is an existing company within the meaning of the Companies Act, 1956, having its registered office situated at 1307, Chiranjiv Tower, 43 Nehru Place, New Delhi – 110019.
- B. Orient Refractories Limited (“**Transferee Company**”) is a company registered under the Companies Act, 1956, having its registered office situated at 1307, Chiranjiv Tower, 43 Nehru Place, New Delhi – 110019.
- C. The Transferor Company has three distinct businesses, i.e., abrasive grains, refractories and power. Each of the businesses of the Transferor Company has significant potential for growth and profitability. However, since the nature of risks, considerations, factors and commercial parameters applicable to the business of refractories being different and divergent in nature in comparison to that of abrasive grains and power and with an endeavour to enhance shareholder value and de-risk the businesses of the Transferor Company, it is proposed to re-organize and segregate, by way of a Demerger, the Refractory business situated at Bhiwadi from the Retained Business and vest it in a separate company, i.e., the Transferee Company. The demerger will result in better, efficient and economical management, control and running of the businesses and further development and growth of the businesses of both the Transferor Company and the Transferee Company.
- D. The demerger would allow a focused strategy in operations of the Demerged Undertaking alongwith providing scope for independent collaboration and expansion without committing the existing organization in its entirety and creating enhanced value for shareholders.
- E. The demerger, and vesting of the Demerged Undertaking from the Transferor Company and in the Transferee Company, with effect from the Appointed Date, is in the interest of the

shareholders, creditors, employees and all concerned. The restructuring will unlock significant value for the shareholders of the Transferor Company and the Transferee Company and would also provide greater business focus for both the Companies.
